OVERVIEW

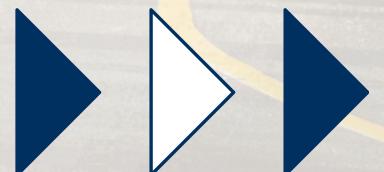

Al-Barq - A Leading Transport Company

Al-Barq began its mission to provide clean water supply and responsible waste management solutions, especially in Saudi Arabia's rapidly growing cities. Understanding the rising demand for reliable water services in Tabuk and NEOM, we developed a fleet of modern tankers and a team of trained professionals.

Our water supply services ensure that homes, businesses, and industrial sites remain consistently hydrated and fully operational. At the same time, we manage wastewater disposal with a strong commitment to environmental compliance.

Over the years, Al-Barq has earned the trust of clients through on-time service, transparency, and affordable pricing. We operate 24/7 to meet urgent needs and promote a sustainable way of living.

Today, Al-Barq is recognized as a dependable and trusted name in water transport and waste management — and our journey continues with a promise of quality, care, and commitment.
